Date and Remarks	Orders of the Tribunal
Item No. 1 June 11, 2014	<p>Reply on behalf of Respondent ((UP Pollution Control Board) today. Copy of the reply has been furnished to the learned Counsel appearing for the Appellant.</p> <p>During the course of hearing, it was felt that notice needs to be issued to the Central Ground Water Authority on the issue as to whether No Objection Certificate is required for the existing unit of the Appellant for utilization of ground water, as one of the reasons which has been given by the Respondent for issuing of the closure order is that the appellant does not have the necessary NOC from the Central Ground Water Authority even in respect of the existing plant as distinct from the expansion of the unit.</p> <p>Accordingly, we direct that Notice be issued to the Central Ground Water Authority by Dasti only. We also direct the Central Ground Water Authority to submit their response before the Tribunal on the next date of hearing on the said issue.</p> <p>Notice made returnable on 13th June, 2014.</p> <p>List the matter on 13th June, 2014.</p> <p style="text-align: right;">....., JM (Dalip Singh)</p> <p style="text-align: right;">....., EM (B.
