Date and Remarks	Orders of the Tribunal
Item No. 6 17 th November,	We have heard Ld. Counsel for the Appellants as well as Respondent No. 5.
2015 Order No. 5	Little is known about completion of service of notice on the Respondents. Let the service be completed. Ld. Counsel appearing on behalf of the Respondent No. 5 (M/s. Nana Layja Power Company Ltd.) the project proponent submits that the Thermal Power Plant proposed by the project proponents cannot be established and commissioned unless the CRZ clearance is granted to the jetty from which supply of fuel would be made available to the project and this is going to take some time. He, therefore, seeks time to file reply and submits that little more time be granted as the
	skies will be clear by then to know as to whether the project would be feasible in the near future in view of necessity of CRZ clearance to the jetty. List the case on 1 st February, 2016. Let the replies be filed by 15 th January, 2016 with advance copies to the Appellants who may file Re-Joinder thereto, if any, by the next date thereafter. Stand Over to 1 st February, 2016.
