| Item No. 4<br>May 31, 2017<br>Order No.2 | The Maharashtra Pollution Control Board (MPCB) has placed                                 |
|  | before us Report dated 13 <sup>th</sup> May, 2017, answering our queries vide order       |
|  | dated 2 <sup>nd</sup> May, 2017. Perusal of this report reveals that further treatment is |
|  | required for reverse osmosis reject effluent, which goes into the lagoons                 |
|  | without lining. It is further revealed that the water samples collected from              |
|  | open well and soil samples collected from the land showed presence of                     |
|  | heavy metals. It prima facie sends a signal that everything is not good in                |
|  | operation of Respondent No.1-Company, which is manufacturing maize                        |
|  | products as well as, Pigments, Printing Chemicals etc., as described in                   |
|  | para-3 of the Application.  |
|  | Admit.  |
