	ate and emarks	Orders of the Tribunal
A	Item No. 04	We direct the joint inspection team now consisting of Senior Officer of CPCB and Senior Environmental
A	2015	Engineer of U.P. Pollution Control Board besides one who
9	AN	had already prepared the joint inspection report to conduct a inspection. They shall visit all the sites shown
W	110	in the photographs earlier as well as the photographs filed
V	1 E	today. We must notice that the Local Commissioner has
		confirmed that except two photographs, all of them relate to the sites depicted and, are within the vicinity of the
		sugar and distillery plant of the Project Proponent. There
		is now other sugar mill or distillery factory in that area. The joint inspection team shall analyze the trade
		effluents shown at the places as well as soil apart from
		sampling from adjoining area where effluent has not
		accumulated.
		The team will visit the premises today itself and
		collect effluent and soil sample, analyse the same and
		place report thereto with its own opinion before the Tribunal.

The inspection team would be provided all the help
including Police protection.
List this matter on 01st September, 2015.
