<b>Date and Remarks</b>	<b>Orders of the Tribunal</b>
<b>Item No. 01  January 18, 2017</b>	<p>A grievance is made regarding supply of the copies inspection report filed by the Joint Inspection Team in pursuance to the order dated 6<sup>th</sup> December, 2017. Let the copies be furnished to the contending parties.</p> <p>The Joint Inspection Report dated 23<sup>rd</sup> October, 2017 filed by the Central Pollution Control Board reveals following recommendations:</p> <p>(i) Upgrading the Autoclave being used for pre-treating the infectious Microbiology, Biotechnology and other clinical laboratory waste in accordance with BMW Rules, 2017.</p> <p>(ii) Chemical liquid waste generated from laboratories should be neutralized/disinfected prior to mixing with other hospital effluent for further treatment in STP.</p> <p>(iii) Hospital shall take permission from Central</p>

	<p><b>Item No. 01</b></p> <p><b>January 18, 2017</b></p>	<p>Ground Water Authority for extracting ground water.</p> <p>(iv) Another room may be identified for storage of general solid waste little away from the central bio-medical waste storage room to eliminate any scope of mixing of these wastes (presently separate adjacent rooms being used for storage of general solid waste and the biomedical wastes).</p> <p>However, it is revealed that the hospital is compliant with the Biomedical Waste Management Rules, 2016 and Solid Waste Management Rules, 2016.</p> <p>The Learned Counsel appearing on behalf of the Respondent No. 1, Institute of Human Behavior and Allied Sciences, Delhi submits that the institute has taken steps for complying with the recommendations in as much as an order for microwave treatment of the Bio-medical waste as well as chemical liquid waste has been placed and Application for extraction of ground water is pending before the CGWA despite the institute having made due compliance of its requisitions. It is further submitted that the room has been identified for storage of general solid waste separate from the bio-medical waste storage room and only approval of the competent authority i.e. Director/Chairman of the Institute is awaited.</p> <p>We direct the institute to communicate to the Central Pollution Control Board all particulars of the microwave waste treatment unit to be installed within a week and seek its advice of the said treatment unit and install and commission the unit within next one month.</p>
