Date and Remarks	Orders of the Tribunal
<p>Item Nos. 12to14 August 2014 5,</p>	<p>The Report dated 02nd August, 2014 by the Expert Committee appointed by the Tribunal in terms of the Order dated 30th May, 2014 which is amended by Order dated 17th July, 2014 was filed. Let copy of the same be furnished to all the Learned counsel appearing in the case.</p> <p>Liberty is granted to them to file Objections/suggestions, if any, within two weeks from today.</p> <p>It is brought to our notice that Learned counsel appearing for respective Respondents as well as Prof. Gosai, who is a member of the Expert Committee, that there is consideration before the Committee as to the non-availability of data which will enable the Committee to come to a conclusion that how many drains are natural and how many drains area artificial in Delhi. It is submitted that there has been a drainage map of 1976 which shows the natural drains and even other drains. In the face of this, we do not approve that the Committee should look for any other data, particularly when the same is not available. We direct that 1976 drainage map of Delhi shall be taken as the base for making its recommendations in relation to natural drains.</p> <p>Let that map be placed before the Tribunal along with the Report. If the Committee has not fixed its meeting, it shall meet within 10 days from today and consider the entire aspect on priority and submit the report before the Tribunal on the next date of hearing.</p>
