-----------------	---	--

Date and Remarks	Orders of the Tribunal
Upon mentioning October 28, 2015	<p>The matter taken up on mentioning.</p> <p>Learned counsel submits that despite specific orders of the Tribunal and the assurance given by the respective Corporations that no garbage would be permitted to be dumped at the roads of Delhi there is complete violation of the said directions. It is further pointed out that earlier the problem primarily related to East Delhi but now it is for the entire NCT of Delhi. Under the previous orders passed by the Tribunal 21000 metric tons of garbage was removed only in East Delhi. The Delhi generates nearly more than 8000 metric tons of municipal solid waste every day. There is bound to be a very serious adverse consequence upon the environment and public health as a result of non-removal of garbage effectively and regularly. It is pointed out that garbage is dumped on the roads/ streets in every parts of Delhi.</p> <p>Learned counsel appearing for the East Delhi Municipal Corporation submits that he needs to take instructions. However, he is not in a position to deny that the garbage is lying on the roads of the Delhi. It is pointed out that garbage have been dumped around residential</p>

houses causing serious threat to environment and public health. Consequently, we direct the matter to be re-opened.

Notice be issued to the all the Municipal Corporations of Delhi as well as NCT of Delhi.

Notice returnable on 30th October, 2015.

In the meanwhile, we direct that all the Corporations shall ensure that dumped garbage within the area of their jurisdiction should be removed and take it to the appropriate sites and/or municipal solid waste plant in Delhi.

We direct NCT of Delhi to provide due co-operation to all the Corporations to ensure compliance of this order.

Let the Chief Secretary, NCT of Delhi and the all the Commissioners of the respective Corporations be informed of this order by the Registry by fax and telephonically as well.
