<p>Item No. 01</p> <p>August 11, 2016</p> <p>ps</p>	<p style="text-align: center;"><u>M.A. 798 of 2016</u></p> <p>Heard. Perused.</p> <p>This is an application for intervention in execution proceedings initiated for execution of the order dated 23.02.2016. The order dated 23.02.2016 recorded a statement of the Respondent No. 2- Executive Engineer, Ghaziabad Development Authority that Authority shall remove all the illegal constructions existing on the green belt of F- Block Shastri Nagar, Ghaziabad and the notice for demolition had already been issued and the exercise of dealing with the said illegal constructions in accordance with law would be complete within six weeks. It is on such statement that the original application no. 122 of 2015 came to be disposed. Today an issue is sought to be raised by the intervener saying that the area in question where the constructions is raised is not a green belt and therefore, the intervention is being sought in the</p>

present execution proceeding.

We are not at the stage of resolving the dispute as to whether the area in question is a green belt or not. The obligation of the Respondent No. 2 Authority is well crystallized with the statement that all illegal constructions standing on the green belt will be removed.

Hence rejected. M. A. No. 798 of 2016 stands disposed of.

Main matter

Today the respondent no. 2 Ghaziabad Development Authority has filed the Affidavit dated 10.08.2016, suggesting compliance of the order under execution. Some photographs have been filed along with the affidavit.
