## Orders of the Tribunal

## Original Application No. 307/2013

An Affidavit has been filed on behalf of the Central Pollution Control Board wherein it has been stated that the guidelines in relation to Idol emersion in the various parts of the country have been finalised and guidelines earlier prepared for Idol emersion in 2010 will be amended and issued to all the State Boards and the State Governments. Even the suggestions made by the Applicant will be considered and incorporated, if necessary. Further it is stated that the CPCB would also direct each of the State Governments to ensure strict compliance of the guidelines now prepared. These guidelines will be monitored by the State Pollution Control Board and the State Governments.

In view of the stand taken by the Board and the above noted subsequent event, this Application does not survive and is accordingly disposed of by leaving the parties to bear their own costs.
