Date and Remarks	Orders of the Tribunal
Item No. 4 25th September, 2014	<p style="text-align: center;"><u>M.A.No. 553/2014</u></p> <p>This M.A. has been filed by Shri Sachin K.Verma with the prayer for taking on record the documents filed alongwith the same by way of Annexure RR/AB. The aforesaid documents contain the progress report in compliance of the direction issued by this Tribunal on 28.08.2014 as such we feel that this M.A. deserves to be allowed and the documents filed along with the same are ordered to be taken on record.</p> <p>The M.A. No. 553/2014 stands disposed of.</p> <p>Shri Sachin K.Verma pointed out from the compliance report (Annexure RR A/B) filed alongwith the M.A. that five year plan has been prepared for which financial allocation has also been made. The said report contains the details of the works which are to be executed within the current financial year and also of the works to be taken in the subsequent years. Shri Verma also pointed out that point-wise activities have been envisaged and some of the works which have been identified to be carried out, shall be executed with the help of the local people duly constituting the Joint Forest Protection and Management Committees. While, <i>prima facie</i>, it</p>

appears that the involvement of the local people may be conducive, we would expect the State to inform this Tribunal whether such committees have already been formed and number of such committees which have been formed in the respective forest ranges of the block. While preparation of the plan, as also the need for carrying out afforestation, the views of the village Forest Protection and Management Committee may also be ascertained with regard to the local requirement particularly as, *prima facie* it appears that the need of the local people is with regard to fodder requirement and some extent, fire wood. Looking to the aforesaid, the plantation work should be carried out in such a manner that the aforesaid needs are also taken care of.

Shri Sachin K.Verma submits that the response to the above shall be submitted within two weeks.

Let the matter be listed **15th October, 2014.**
