<b>Date and Remarks</b>	<b>Orders of the Tribunal</b>
<b>Item No. 05  January 18, 2018</b>	<p style="text-align: center;"><b><u>M.A. No. 33 of 2018 and 34 of 2018</u></b></p> <p>One Mr. Welthing R. Marak resident of Garo Hills has moved this Tribunal for drawing our attention to 6,44,169 metric tonnes of the declared coal lying un-assessed by the authorities at Semingkri and the areas in its proximity, South Garo Hills-Bagmara, State of Meghalaya.</p> <p>The Learned Counsel appearing on behalf of the State of Meghalaya submits that the authorities will carry out the assessment of the un-assessed coal lying at Semingkri and its proximity within three weeks and only upon such assessment, the Applicants can be permitted to transport the assessed coal on payment of royalty and contribution to Meghalaya Environmental Protection and Restoration Funds at stipulated rates of Rs. 675 and 485</p>

per metric tonnes respectively.

The Learned Counsel appearing on behalf of the Applicant has no objection for giving time to the authorities for carrying out the necessary assessment.

We, therefore, direct the authorities to carry out the assessment of the coal lying in Semingkri and its proximity within three weeks.

Permission to transport the assessed coal is granted upon payment of the royalty and contribution to the Meghalaya Environmental Protection and Restoration Fund (NEPRF).

In view of these directions, nothing survives for further consideration.

Thus, M.A. No. 33 of 2018 and 34 of 2018 stand disposed of accordingly.
