	Date and Remarks	Orders of the Tribunal		
M	Item No. 10 to 22	Learned Counsel appearing for the State of U.P.		
3	Nov <mark>ember</mark> 29, 2017	submits that their stand is that there has been in the		
		past illegal and unauthorized mining causing		
	W.	environmental damage and degradation and this also		
		requires restoration. They are supporting the report		
		submitted by the Committee and in fact the State		
		Government has identified as many as 112 persons who		
		had carried on mining activity. Action has been taken		
		against them, they have been blacklisted and also penalty		
		under the mines and mineral act and the rules framed		
		thereunder has been imposed upon them, however,		
		recoveries are awaited. She further submits that the		
		guidelines submitted by the High Powered Committee are		
		acceptable to the State and in fact their mining plan		

submitted by the State of U.P. is on those lines and has also been concurred by the MoEF. Learned Counsel appearing for the MoEF support this fact.

We may notice that out of 112 noticees, 8 noticees are already party in the proceedings before the Tribunal. However remaining 104 (serial no.2 do not exist in the list).

Learned Counsel appearing for the Association of Stone Crushers put in appearance and brings the order of the High Court- adjudicature at Allahabad and the same is taken on record.

Learned Counsel appearing for the Association of Stone Crushers who obviously would represent all the other noticees pray for time.

List these matters on 4th December, 2017.
