<p>Item No. 10</p> <p>22nd July, 2014</p>	<p>Heard. Perused.</p> <p>In the present application making grievance about the air and noise pollution caused by the auto-rickshaws and DG sets, we had directed the Transport Department of the State and State Pollution Control Board to monitor and initiate action against the polluting auto-rickshaws and DG sets respectively in accordance with law.</p> <p>The State seeks time to furnish the details about the action taken in the present case. However, nobody is present today on behalf of the State Pollution Control Board to apprise us about the action taken in respect of the polluting DG sets. Even the affidavit-cum-reply dated 4th July, 2014 hardly throws any light on the action taken by the Board in respect of the polluting DG sets.</p> <p>We reiterate that it is the responsibility of the State Pollution Control Board to check the pollution emanating from the DG sets with enforcement of environmental protection acts and rules.</p> <p>List on 20th August, 2014.</p> <p>.....JM (U. D. SALVI)</p> <p>.....EM (P.S.RAO)</p>
